Teri Myers about her recent book "Persecuted Saints within the Church Walls". Have you ever been hurt or wounded by other believers or a church? To many times today believers feel they are deserving of the "pedestal", we are called to be compassionate and loving towards others and yet sometimes that essential is forgotten. As a church we are to be humble and loving, looking at building a relationship drawing us closer to Christ, yet somehow competition and attitude get in the way. Learn today how to begin the healing process and move forward. It is important today that we build a strong relationship with Christ...To contact Teri you may find her at www.TeriMyers.com or www.HopeCenterMinisteries.org, or email her at FH2SURV@msn.com If you have any prayer requests or questions regarding this show or upcoming email Robin at Robin@RobinHardy.net
